- Report writing, designing and printing publications
- Capacity building and training for communication teams
- Media relations and press outreach
- Designing and printing assortment of branded materials
- Development and execution of strategic communication plans for both development and humanitarian initiatives
- Office branding

GOAL:

Strategic, creative, and results-driven communication solutions that inspire action and foster lasting impact.

MISSION:

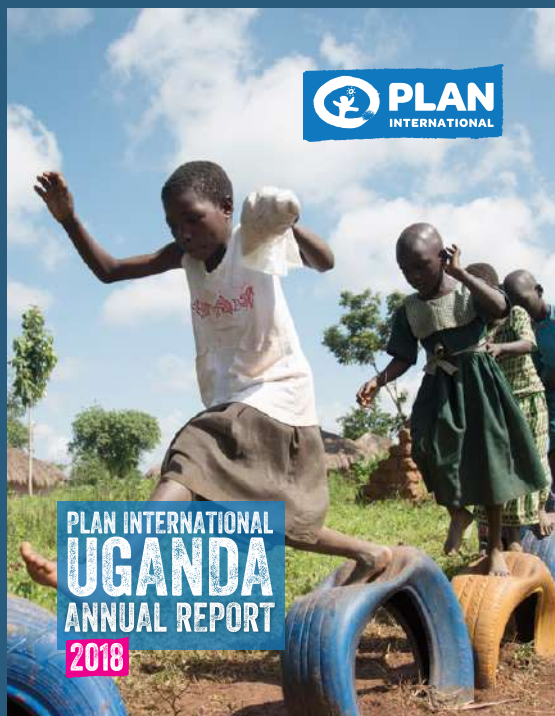

Delivering strategic, innovative, creative, and results-driven communication solutions that inspire action and foster lasting impact.

Objectives

1. To design, develop, and deliver a comprehensive suite of high-quality communication products that effectively convey our clients' narratives and strategic messages.

We aim to create engaging, visually compelling, and content-rich outputs—ranging from written materials and digital media to photography and videography—that resonate with target audiences, elevate brand presence, and drive measurable impact.

Through a commitment to innovation, consistency, and strategic alignment, we ensure that every communication product not only reflects the client's vision but also enhances audience engagement and fosters lasting connections.

2. To Create Comprehensive Program Documentation that showcases impact and reach

- Capture high-quality photos and videos of key program events, activities, and milestones.
- Develop a digital archive to organize and store visual content for easy access and retrieval.
- Produce engaging video highlights and photo galleries to share across multiple platforms and sectors for learning and program development
- Design and publish annual and project reports, and case studies to demonstrate community change and contribution to national development.
- Write and create visually appealing and informative content

3. To develop and Implement communication strategies that align with program and campaign goals

- Wanda Communications Uganda utilizes data-driven insights to design, implement and tailor campaign messages that resonate with diverse target audiences to create impact
- We regularly evaluate and adjust strategies based on feedback and performance metrics.

4. To enhance organizational visibility that positions institutions at the forefront of industry conversations and narratives.

We are committed towards executing targeted institutional visibility that consistently places organisations at the forefront of industry conversations

- Production of branded IEC materials to enhance visibility, reinforce key messages, and ensure consistent, impactful communication that educates, informs, and engages target audiences such as banners, Caps & Badges, classified t-shirts, wrist bands, branded water bottles, cups, bags, pens and branded notebooks.
- Our Content Creation and Storytelling approaches demonstrate the evidence

based and impactful programs and institutions

- Produce high-quality multimedia content (videos, infographics, blogs) that narrate the program's impact and the innovative strategies employed.
- Develop testimonial and case study series featuring success stories from clients and stakeholders.
- Regularly update content to reflect the latest achievements and program enhancements.
- Social media products that immensely grow institutional platforms and audiences.

Professional team

At the core of Wanda Communications Uganda is a team of seasoned professionals whose expertise spans every facet of modern communications. Our diverse group of strategic thinkers, creative storytellers, and proactive problem solvers brings together decades of industry experience in strategic planning, advocacy campaigns, content creation, and crisis communication. Each team member is dedicated to crafting tailored communication strategies that resonate with target audiences and drive meaningful engagement.

Justine Nakiwala

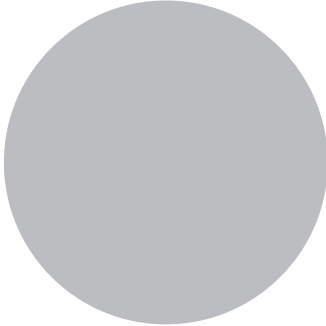

Team Leader- Strategist, Writer, Content Developer

He is an expert user of the Affinity Suite, Adobe Design Suite, Blender, Zbrush, SketchUp, and Clip Studio Paint, among other programs. He is professionally knowledgeable and experienced in storyboarding and animation.

RELEVANT EXPERIENCE:

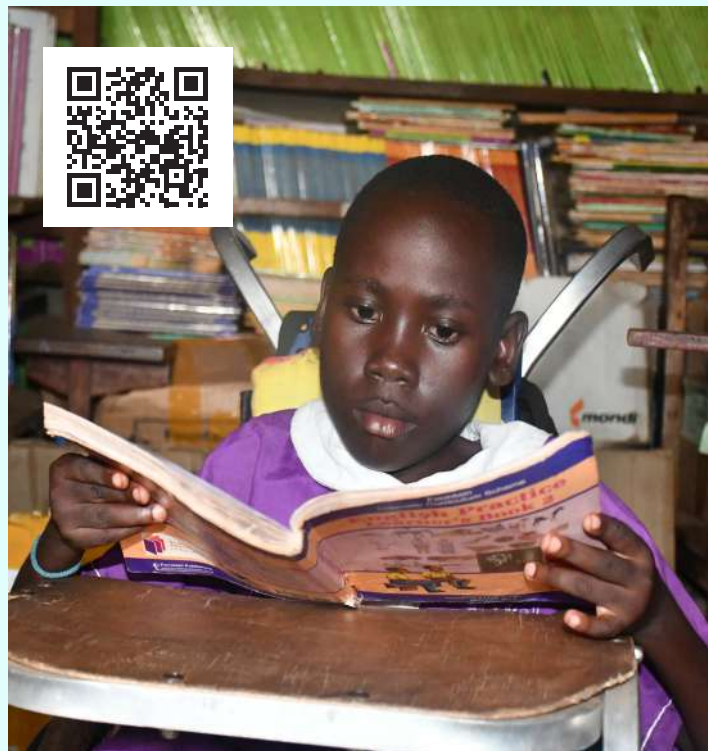

RELEVANT EXPERIENCE: RISING PROJECT DOCUMENTARY/PHOTOGRAPHY

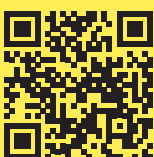

Plan International, in partnership with Strømme Foundation, implements the RISING Uganda project to enhance access to quality education by improving infrastructure, mobilizing communities, and providing educational materials to vulnerable children.

RISING Project ultimate goal is to contribute to the enrolment of 100,000 out-of-school children (OOSC), especially girls, in marginalized and refugee communities in nine districts (Adjumani, Madi Okollo, Obongi, Yumbe, Nebbi, Lira, Alebtong, Kamuli and Buyende) of Uganda. Through a partnership with Education Above All and Strømme Foundation, Plan International Uganda is implementing the Reaching and Enrolling Out Of School Children (OOSC) Including Refugee Boys and Girls in Schools in Uganda (RISING) project, a four-year (2022-2025) initiative to increase access to quality primary education and learning.

The videography highlights project impact taking a story telling approach.

RELEVANCE EXPERIENCE: EDUCATION CANNOT WAIT PROJECT VIDEOGRAPHY/ PHOTOGRAPHY

Plan International Uganda with funding from Education Cannot Wait (ECW) through Save the Children (SCI) is implementing Gender Responsive Education and Child Protection project in the Refugee and Host Communities in West Nile (GREP-WN) in partnership with Education Local Expertise Centre Uganda (ELECU). The project is part of "Multi Year Resilience Programme II" with broader aim to improve the continuity of education for crisis-affected vulnerable children and adolescents, including those with disabilities so that they have access to sustained quality and inclusive learning opportunities. The goal of the project is to support and strengthen gender responsive. In this video Mary speaks up on her experience of education journey under this project.

RELEVANCE EXPERIENCE: INTERNATIONAL DAY OF GIRL, 2024 VIDEOGRAPHY

Annually, on 11th October, Plan international Uganda joins the rest of the world in the commemoration of the International Day of the Girl and conducts some activities include 'Girls Take Over' where girls temporarily assume influential positions that allow them take critical decisions on issues affecting them. The takeovers encourage organizations and institutions to hear the girls' views. At the same time, the girls gain insight into the adult work and to visualize their aspirations.

This video highlights one of the takeovers of 2025 demonstrating voices of girls occupying space and speaking up on issues affecting them.

RELEVANCE EXPERIENCE: CLIMATE ACTION ACCELERATOR PROJECT VIDEOGRAPHY/ PHOTOGRAPHY

Plan International Uganda with support from DANIDA is implementing a 2-year project called Youth Climate Action Accelerator project with overall goal of addressing climate vulnerabilities in cities that recognise youth-led organisations as key partners creating green, resilient and inclusive cities. The project uses key approach of working with youth led organisations involved in climate change initiatives by supporting them with booster grants to accelerate their climate change activities.

The video highlights Fatuma and other youth speaking upon Waste Management initiatives. Scan QR code to watch the video

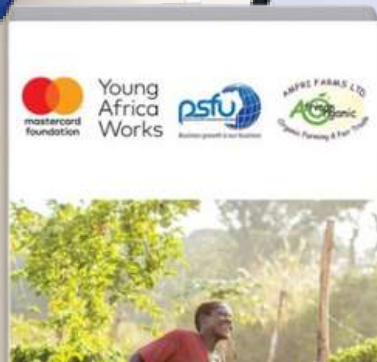

RELEVANCE EXPERIENCE: ADOLESCENT GIRLS IN CRISIS PROJECT VIDEOGRAPHY/ PHOTOGRAPHY

Adolescent Girls in Crisis project empowered girls and young mothers with life skills, economic opportunities, and sexual reproductive health education, fostering supportive environments in crisis settings.

The video showcases the impact of the AGiC project on girls and young women (10-24 years), highlighting the positive changes in their lives. In this video Alim one of the participants of the project talks about how the buddy system is uplifting young mothers under this project.
